a) Graduate Trainee in Network Engineering (2 positions) – Job Reference No. 2001506

KENET invites suitable recent university graduates to apply for a one-year Graduate Trainee program (*Graduate Trainee in Network Engineering and Operations*) at KENET that aims to develop capacity in; Network Engineering, Information and Shared Services, and Communications areas.

Qualifications

- Applicants must be degree holders from recognised universities in electrical engineering or equivalent (e.g., electronic engineering, telecommunications engineering). The applicants must be registered or be eligible for registration as graduate engineers with the Engineers Board of Kenya.

- Must have (or expecting) Upper 2nd class honours & above qualification or its equivalent.

- Must have graduated in at most the last **two** calendar years

- Excellent oral and written technical communication skills in English language

- Demonstrated high moral and ethical standards

These graduate training programs shall be for fixed term of one calendar year. At the end of one year, candidates shall be retained and promoted to entry level positions based on the annual performance evaluation.

Interested and qualified persons should visit the KENET recruitment portal (https://recruitment.kenet.or.ke) for detailed vacancy announcement and submission of applications. The applications should be submitted not later than **December 14, 2015.** Only shortlisted candidates shall be contacted to attend interviews at KENET within one month from the deadline for applications date.

KENET is an equal opportunity employer and promotes diversity. Female candidates as well as candidates from marginalized or semi-arid areas are encouraged to apply.

A competitive remuneration package commensurate with the position shall be offered to the successful candidates.

NB: Applications submitted in hard copy format will not be considered
