
[KENET 2022 Jobs Advertisement](#)

Kenya Education Network (KENET) (<http://www.kenet.or.ke>) is a not-for-profit membership organization. The members include universities, tertiary colleges, research institutes, teaching hospitals and other affiliated institutions. It is incorporated as a Trust and licensed by Communications Authority of Kenya as a Tier-2 Network Facilities Operator.

KENET provides broadband Internet connectivity services and cloud-based digital enterprise and academic services to member institutions. It also provides specialized research and education services such as trust and identity services, eduroam, and research cloud services and academic CERT services.

KENET's strategic priorities in the period 2022-2026 include to dramatically increasing the number of connected member tertiary colleges, schools and teaching hospitals; supporting the digital transformation strategies of member institutions; and promoting the adoption of open science practices.

KENET therefore seeks to fill the following positions:

1. Chief Business Development Officer – (1 position) Job Reference No. 1002201

This position reports to the Executive Director and will be responsible for identifying new business opportunities for KENET to support its member institutions and driving growth of uptake of KENET's ICT services and solutions portfolio to new and existing customers.

Suitable candidate will proactively engage with KENET member institutions to identify their needs, specify them, and work with a team of communications and technical staff to deliver innovative solutions to better align KENET services with client needs.
